

CRITICAL CONTROL PROVIDES UPDATE REGARDING TRADING OF COMMON SHARES

CALGARY, ALBERTA, July 18, 2017 – Critical Control Energy Services Corp. (“**Critical Control**”) (TSX:CCZ) provides an update regarding the trading of its common shares on the Toronto Stock Exchange (the “**TSX**”).

Under Critical Control’s previously-announced plan of arrangement, which closed on July 6, 2017, some shareholders made an election to keep their common shares, rather than exchange their common shares for cash or preferred shares. Those common shares resumed trading at the open of the TSX on July 17, 2017.

About Critical Control

Critical Control provides solutions for the collection, control and analysis of measurement and operational data related to oil and gas wells across North America. We provide services to capture the data, cloud-based software to visualize and manage it, and the business intelligence to make quicker and more informed operational decisions.
