

CRITICAL CONTROL TO DELIST FEBRUARY 28, 2019

CALGARY, ALBERTA – February 25, 2019 – Critical Control Energy Services Corp. (TSX: CCZ; CCZ.PR.A) ("Critical Control") is providing an update regarding its common shares and series A preferred shares which currently trade on the Toronto Stock Exchange.

Further to the Corporation's press release dated February 12, 2019, the common shares and preferred shares of Critical Control will be delisted from the Toronto Stock Exchange as of the close of trading on February 28, 2019. After this time, there will not be an exchange on which the shares of the Corporation are listed for trading and the Corporation does not intend to seek an alternate listing at this time.

About Critical Control

Critical Control provides solutions for the collection, control and analysis of measurement and operational data related to oil and gas wells across North America. We provide services to capture the data, cloud based software to visualize and manage it and the business intelligence to make quicker and more informed operational decisions.
